DROWNED AT NEW LONDON

Spear Held Upright in Boat Is Cause of Tragedy

(Special to the Northwestern)

New London, Wis., April 12.---- John Ludwig and Ernest Krueger were drowned in the Wolf river Monday night, and Herman Ludwig is in a precarious condition, as the result of a mishap while fishing.

The fishing party composed of four young men was returning home and one of the occupants of the boat held a spear upright. The boat was nearer to the shore than the young men thought and the spear caught in the overhanging branches of tree. The lad holding the spear was thrown into the water and in a frantic effort he grasped the side of the boat only to upset it. Herman Lidwig swam in shore and ran for help, several other fisherman responding. The latter succeeded in rescuing only one of the four boys. Herman Ludwig fell to the ground exhausted after telling about the peril of his fellows. The young men who drowned are twenty years of age.

Grandma

*Every time I look at you
I see gray hair, some old, some new
They show how much you've been through
All that gray, just a hint of blue*

*Precious are the time we shared
The smiles that showed how much you cared
The many things we talked about*

*Now in my mind, I have no doubt,
The Lord, has called you home to rest
Which proves he only takes the best.*

*Viola was 79 years old when she died .
Viola made it through 4th Grade and had to quit school and help on the farm.*

Notes for HAROLD CHARLES JESSE DOMSKIE:

Harold Domske died of Lung Cancer. I seen my father 6 months before he died and he never told me he was terminally ill. He was living in Oxford Convalescent Home in Oxford, Wi. He died in a near by Hospital, The Doctors and nurses asked him when he was dying if he had anybody he wanted them to contact and he told them , he didn't have anybody to contact. One week after he was dead and buried a Social Worker contacted my mom and asked her if she knew a Harold Domske and my mom said that was her ex-husband, so the Social Worker said did you know that he was dead and buried. My father was also buried Catholic and he was not Catholic, he was Lutheran, but because he had a Catholic medalion in his wallet they buried him Catholic. They said he had a \$1000.00 dollars on him when he died, so they got him all new clothes and burial plot and a stone for that amount of money, which seems a little odd. Was buried from the Good Sheppard Church.
His father came over from Prussia illegally and changed his name
These notes are from April 1977.

Harold was raised Lutheran.

On the church records from St. John's Ev. Lutheran Church in Markesan, Wis., the records had his name as Harold Charles Dumske.

Harold changed his Family name. Added an i in Domske, it was suppose to be Domske.

GOD SAW HER
God saw you getting tired
when a cure
Was not to be. He closed
His arms
around you and whispered
"Come to Me"
In tears we saw you sinking.
We watched
you fade away, Our hearts were
broken. You fought so hard
hard to stay
when we saw you
sleeping so peacefully,
free from pain, we would
not wish you back
to suffer that again
So treasure her, Lord, in your
garden of rest
for here on earth she was
one of the best.

Notes for LISA MARIE BARTEL:

Source 1: Newspaper article:

Saudia Arabia--On an expanse of desert whipped by fine red sand, Capt. Lisa Bartel stands watch over the Patriot missile battery she commands inside this vast Saudi military complex. Her unit is responsible for protecting the base, the surrounding oil installations and a nearby U.S. military housing complex from attack.

But Saudi sensitivity about the kingdom's need for U.S. protection runs so high that publicly, Bartel's mission does not exist. Tough security restrictions bar her and her troops from going into Riyadh except on official business. In five months in the Saudi kingdom, she has never been invited to a Saudi home.

"We have limited interface with the Saudis," said Bartel, 30, of Oshkosh, Wis. "But I'm here to do a mission."

Promoted by heightened security concerns since the Sept 11 attacks and by restrictions the Saudi government has imposed on U.S. military operations, U.S. commanders are re-examining their presence here. The Central Command, in Tampa, Fla., the headquarters for the Middle East operations, has prepared a sweeping contingency plan to move out of Saudi Arabia, senior military officials say.

The plan would uproot a state-of-the-art command post that has been the nerve center for the air war in Afghanistan from Prince Sultan air base, south of here, and move dozens of fighter planes, the officials say. The leading candidate is Al Udeid air base in Qatar, which has vast hangars and 15,000-foot runways, among the longest in the region.

Officials emphasize that the contingency plan has not been presented to the Joint Chiefs of Staff or the Pentagon's civilian leadership, nor has it been discussed with the Saudis.

Because there are no regular, high-level military talks between Saudi Arabia and the United States, both sides tend to avoid confronting problems head on. It is clear whether Vice President Dick Cheney will raise the issue of the U.S. military presence when he visits Saudi Arabia this week.

"The military relationship with Saudi Arabia doesn't work well when it gets a lot of attention," said Anthony C. Zini, a retired Marine general who led the Central Command and is now the Bush administration's special Middle East envoy. "It has to be quiet. A number of things have happened since Sept 11 that have got us crossways in the relationship, and we should do major work to repair it."

Zini said he began planning for a reduction in the U.S. military's dependence on Saudi Arabia when he was commander of the U.S. forces in the region in the late 1990's.

"I wanted to have some flexibility, so we didn't become totally dependant on one place," he said.

*Received from Linda Fernandez 4/10/99
Oshkosh Northwestern -- July 21, 1979
Lohrville department 63 years old*

LOHRVILLE ---- The Lohrville Fire Department started in 1916 with wooden spoke wheels driven by a gas engine.

The present building was constructed in 1916 by Kramp Construction Company, Berlin. A large cistern under the building is used to fill the tank trucks. If enough rain is not collected in the cistern, water is pumped from across the street to fill up the cistern.

Joe Secora and Emil Larson both served as fire chiefs at one time. Mario Passarelli became fire chief in 1938 and served until 1974. In 1974 Harley Gutche Sr. became the fire chief, a position he presently holds.

Gutche and Mike Knudtson rebuilt a tank in 1975. The truck was purchased from Edward Schmidtke, Wautoma. The department, which presently has 39 volunteers, has four vehicles.

Passarelli, recalls a fire in Redgranite, which the Lohrville Fire Department assisted in fighting, where seven building in a row burned down, including the opera house. The Lohrville department pumped water from Willow Creek to Main Street to help battle the flames.

Passarelli also noted the Lohrville department assisted in preventing the Chicago Pickle Company in Redgranite from being wiped out by fire.

The department now serves only the Lohrville, but at one time it also served the town of Warren.

OBIT:

BEVERLY ELENORA GALICIA

Beverly Elenora Galicia (nee Beahm), 61, passed away peacefully at her home in Oshkosh surrounded by her family and friends on Thursday, February 13, 2003, following a long battle with emphysema. She was born March 26, 1941 to Kenneth and Elenora Beahm and married Jerome Galicia on June 21, 1958.

Her joy was her family and she was always ready to help anyone in need. Her grandchildren were the light of her life and her husband Jerry was her prince. Even in her suffering and illness, she wanted to help others.

In healthier times, Bev enjoyed country dancing with Jerry and was very active in the "Ya But?" Dance club. She enjoyed going to the casino with Jerry and she loved flowers and gardening.

Bev is survived by her husband of 45 years, Jerome; her children Mike Galicia of Oshkosh, Dawn (Dennis) Clark of Pickett, Connie (Lance) Haase of Oshkosh and Stacey (Steve) Towns of Michigan; 22 grandchildren, 13 great-grandchildren; mother, Elenora (Walter) Kimball of Oshkosh; brothers, Vilas (Susan), Donald (Jan) and Jerry Beahm all of California; sister Bonnie Rennert of Oshkosh; and mother and father-in-law, Minnie and John Galicia of Oshkosh. She is further survived by many aunts, uncles, in laws, nieces, nephews, special friend, Dan Towns and goddaughter, Tina Beahm. Her a father, Kenneth Beahm, her son, Randal Galicia and many other family members, preceded Bev in death.

Bev's family would like to thank Aurora Hospice (Neil and Angie especially) for their care and support. She will be greatly missed by all.

Family and friends may call at the Seefeld Family of Funeral Chapels, 300 N. Eagle Street, from 5 to 8 p.m. on Monday and from 10 A.M. until the time of the service on Tuesday, February 18, 2003. Her funeral ceremony will be at 11 A.M. on Tuesday at the Seefeld Eagle Street Chapel.

Interment will follow at Lake View Memorial Park. In Lieu of flowers, a memorial fund has been established.

God saw you getting tired
And a cure was not to be.
So He put His arms around you
And whispered "Come to me"
A golden heart stopped beating.
Hard working hands now rest.
God broke our hearts to prove to us.
He only takes the best.

*In Memory of George J. Gutche
Born July 4, 1953-- Died May 6, 1979
From his family who miss him dearly.*

*May
May is the month I love so dear
I lost the one who's love was near
God took him away
But made me stay
This made me sad
He wasn't bad
I sat for months, and cried and cried
I felt God should have left me die
Though not long ago
Now we've had snow
But the roads begin to clear
And it's been so many years
I've learned to live with the tragic loss
But now my love is for the moss.*

Do not stand at my grave and weep, I am not there; I do not sleep, I am a thousand winds that blow; I am the diamond glints on the snow. I am the sunlight on ripened grain; I am the gentle autumn rain. When you awaken in the mornings hush, I am the swift uplifting rush of quiet birds in circled flight. I am the soft star that shines at night. Do not stand at my grave and cry. I am not there, I did not die.
