55. PERRY⁶ SPURLOCK (*JESSE⁵, ANDREW⁴, JOHN³, WILLIAM², JOHN¹*) was born August 8, 1887 in Perry Co. Kentucky, and died May 23, 1977 in Booneville, Owsley Co. Kentucky. He married MARINDA BISHOP July 15, 1905 in Perry Co. Kentucky, daughter of WILLIAM BISHOP and REBECCA GILBERT. She was born September 14, 1888 in Perry Co. Kentucky, and died October 18, 1970 in Owsley Co. Kentucky.

Notes for PERRY SPURLOCK:

Perry Spurlock was named after his grandfather Perry Albert Davidson...Perry Albert married Elizabeth Burns and they moved to Buffalo Creek where they raised a large family, they lived at a place called Whoopflarea and it was reputed to be a haunted place...sometime around 1880, Perry and most of his family and their wives and children moved to Arkansas, they had heard about good land to homestead...later on, most of them moved on to Oklahoma and their descendants still live there today...Grandma Elizabeth Davidson passed away around 1900 and Perry Albert came back to Kentucky to visit and while here took ill with Cholera and died about 1907...He is buried on the Granville Barger Cemetery at Saul, Kentucky...Grandpa Perry Spurlock was a farmer by trade, a family man and a good neighbor to the families that lived in the Buffalo, Doorway, Bullskin, Saul and Bowlingtown communities...Many a cold and wintry night was spent in front of the old log fireplace listening to "Pip" as he was affectionately called tell us about the family history, traditions and folklore in general. What was so amazing is that he could remember everything so well and keep us enthralled for hours listening to him. We would "turn" as we listened in rapt attention to his tales. For those that don't know what "turning" is, well let me tell you it is trying to stay warm in an old log cabin with nothing but a fireplace for heat and you were warm in front and cold behind and would constantly turn around and around. "Pip" and "Mamaw" Marinda "Aunt Rindy" Bishop Spurlock would tell "Haint" tales and we would get as close to the fireplace as we could and a team of horses could not have pulled us away...

Notes for MARINDA BISHOP:

*****In Memory*****

In memory of our dear mother Marinda Bishop Spurlock who passed away October 18, 1970...

One year has passed since that sad morning when God did what he saw best
He put his arms around you and took you home to rest
The circle was broken a link was gone from the chain
We often think of her and long to see her face
But precious are the memories that death can non erase

Sadly missed by husband and children...

Marriage Notes for JESSE SPURLOCK and MEADA BARGER:

Jesse Spurlock is the natural father of Raymond Dale Deaton...

Notes for RACHEL HELTON:

Rachel Helton Spurlock was born at Otter Creek, Kentucky in a place called The Dark Rockhouse, on July 2, 1915...she was a fabulous cook and a great housekeeper, one of her favorite sayings was " my children always had plenty to eat and a clean bed to sleep in "...she loved her neighbors, and was always there to help if they were in need...she was always an inspiration to her family...

This Poem entitled " Memories For Your Heart " was written and dedicated to her grandmother by Carol Ann Sandlin...

And the Lord said, "I'll give you a gift," a loan from me to you;
Someone to love and cherish, who will always be there for you.
But he said, " Whenever I call, you have to let her go."
" You can keep her in your heart, whenever she comes home."
And so I will remember, and keep close to my heart,
all the wonderful times, of which she was a part.
The gingerbread she fixed, the flowers that she grew,
the quilts she made by hand, the stories that she knew.
The vegetables that she canned, the sauerkraut she could make.
And who could ever try, I wonder, to make her old stack cake.
The advice that she would give, and I would never listen,

But as i got older, i began to understand her wisdom.
 The hard work that she did, things that she would teach,
 the " old sayings " she would tell, the times that she would preach.
 The fires that she would build,the holidays that we shared,
 and who will ever forget, the pixicurls in her hair.
 There's so many more memories, of which she was a part,
 we can carry her forever, deep within our hearts.
 But now the Lord has called, and we will have to let her go,
 we love you and we'll miss you, but we know that you've gone home.
 I love you Granny,
 Carol Sandlin
